

A Series™ Clips

Metal and Plastic Mounting Clips

Amphenol Sine Systems **A Series™ Mounting Clips** provide an optional method for mounting our receptacles to our plug connectors, and are available in a variety of materials and platings. Available in numerous configurations, our mounting clips are compatible with existing industry-standard connectors. Also available are our **A Series™ Connector Position Assurance Clips** which protect against un-mating.

Applications: Heavy Equipment, Agriculture, Construction, Transportation, Off-Road, Mining, Industrial, Railway, Automotive, Diagnostics, Marine, Water Resistance, Harsh Environments
