

Part No: 101A10089X

Product Description

- DIN 41617
- Male connector
- 13-pos.
- Solder pin angled
- 2,54 mm

min. working temperature	-25° C
max. working temperature	+85° C
Contact resistance standard	15 mOhm
Extraction force	32 N
Insertion force	32 N
Quality class	Quality class 3
Mating cycles	50
Insulation resistance	10 GOhm
