

CLASSIC IV

FOOT SWITCH

The LINEMASTER Classic IV foot switch series (replacing the Classic III) continues the line of high quality and durability in both single and twin variations as standard models. The Classic IV is a versatile foot

switch that can be utilized in a wide range of applications from medical to medium duty industrial. The rugged cast aluminum housing offers environmental protection of NEMA Types 1, 2, 4, 6, 6P & 13 as well as EN 60529 Degree of Protection IP68. The guarded versions offer a heavy

gauge steel full guard that covers the entire foot switch for both the single and twin models. Do you have special requirements? Please contact Linemaster for a quotation for a custom variation built to your specifications, including cord-set, paint finish and labeling.
