### Technical data

#### Dimensions

|                         |                 |
|-------------------------|-----------------|
| Wrench size, union nut  | 33 mm           |
| External cable diameter | 14 mm ... 18 mm |

#### Ambient conditions

|                                 |                   |
|---------------------------------|-------------------|
| Degree of protection            | IP67              |
| Ambient temperature (operation) | -20 °C ... 100 °C |

#### General

|                              |                                                                                                                        |
|------------------------------|------------------------------------------------------------------------------------------------------------------------|
| Note                         | Adapter screw connections are available on request for large cable dimensions, from Pg16 to Pg21 and from Pg21 to Pg29 |
| Type of the screw connection | Half screw connection                                                                                                  |
| Material, pressure screw     | Polyamide                                                                                                              |
| Seal material                | TPE                                                                                                                    |
| Shielded                     | No                                                                                                                     |
| Thread type on seal side     | Pg21                                                                                                                   |

# Cable gland - VC-K-KV-PG21(14-18) - 1853926
